INDEPENDENT AUDITOR'S REPORT

Board of Directors
Hope Abides
Elk Grove, California

We have audited the accompanying financial statements of Hope Abides, which comprise the statements of financial position as of December 31, 2012 and 2011, and the related statements of activities and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors
Hope Abides

NOTES TO FINANCIAL STATEMENTS

December 31, 2012 and 2011

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization: Hope Abides (Organization) is a nonprofit public benefit corporation whose purpose is to provide assistance to orphaned and destitute children in India. Donations are solicited to achieve the Organization's goals and objectives.

Basis of Presentation: Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) 958-205, *Financial Statements of Not-for-Profit Entities – Presentation of Financial Statements*. Under ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Organization does not have any permanently restricted net assets. The Organization uses the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition: All contributions are considered available for unrestricted use unless specifically restricted by donors for future periods or specific purposes. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reported as released from restriction.

It is the Organization's policy to imply a time restriction, based on the assets' estimated useful lives, on donations of software, property, equipment and prepaid advertising that are not restricted as to their use by the donor. Accordingly, those donations are recorded as increases in temporarily restricted net assets. The Organization reclassifies temporarily restricted net assets to unrestricted net assets each year for the amount of amortization expense relating to the donated assets.

Fundraising revenue is recognized in the period in which the event takes place.

Donated Equipment, Materials and Services: Donated equipment and materials are recorded as contributions at their estimated value at date of receipt. Donations of equipment are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

Software: Computer software is stated at cost, or if donated, fair market value at the time of the donation. Amortization is calculated using the straight-line method over its estimated useful life. The estimated useful life of the software is 2 years.
